New News

On Wednesday, September 16, Apple will release iOS 9, it's next generation operating system. The EACS Technology Department is recommending that teachers and students DO NOT UPGRADE to the new iOS until we have time to test out the compatibility of EACS's 50+ recommended educational apps.

It's that time! Friday, Sept. 18 is the last day for the Oct. 24 ACT test. Register online at www.actstudent.org

Auditions for the fall play. It's Murder in the Wings will be Tuesday Sept. 29 and Wed. Sept 30 in the Auditoria. Tuesday will begin at 3:15 PM and Wed. will begin at 4:00 PM. If you are interested in trying out for the show, please stop by Mr. Derby's room, A218 to pick up the audition script. You only need to be at one of the auditions. If you have any questions, see Mr. Derby or ask a Drama Club officer.

The cross country teams continued to be a proud gem in the New Haven crown this past weekend at the Spencerville Bearcat Invitational. The girls took yet another championship at this event, their 4th invitational championship this season. The Boys team took the team championship as well. Their 4th championship in a row! Our XC teams are running all over the completion.

Show Choir Fundraiser **Hey!!!!Did you get your Food for the Big Game Yet???** The show choir will be selling pre-sale tickets for Andy's Knockout Chicken that will be distributed during our Homecoming football game. Orders can be picked up anytime between 4pm and the end of the football game! We would certainly appreciate your support for this new program this year! I will put a letter in your mailbox of how much it costs and student's names so you can grab them to order something if you like. You can always order chicken through me also or I can send a student your way with tickets, if you can't find one of the students on the list. Thanks for considering to support these kids as they are hard-working and talented individuals!

Important! There is a new course that is currently on the Canvas Student Dashboard called "EACS Student Tech Help". It focuses on student tech help issues with things such as Submitting assignments on Canvas, Accessing and using Pearson textbooks and assignments, Webdav, and Google. Students make sure you accept the invitation to this course so that you have access to all the help tutorials whenever you have questions/problems. We will constantly be adding resources. This should be your first stop when you are having Ipad and tech troubles.

Congratulations Marching Bulldogs! The Marching placed third this weekend and increased their score by 5 points year. Way to go!
