

Engineering & Technology Education (non PLTW)

**Technology
Systems
4808**

**Transportation
Systems
4786
1 Semester**

**Construction
Systems
4782
1 Semester**

**Communication
Systems
4780
1 Semester**

**Introduction to
Manufacturing
4784
2 Semesters**

**Introduction to
Transportation
4798
2 Semesters**

**Introduction to
Construction
4792
2 Semesters**

**Computers in Design &
Production
4800
2 Semesters**

**Introduction to Advanced
Manufacturing & Logistics
4796
2 Semesters**

**Advanced Manufacturing 1
5608
2 Semesters**

Project Lead The Way

Course Map

Introduction to Engineering
4812
2 Semesters

Principles of Engineering
4814
2 Semesters

Civil Engineering & Architecture
4820
2 Semesters

Computer Software Engineering ????

Engineering Design & Development
5698
2 Semesters
