It has been a lot of fun working with your student this year. As parents you should be extremely proud of your child as they have grown so much both academically and socially. This past year, makes me realize how fortunate I am to be the Principal of New Haven High School. It is a special place with amazing kids, supportive parents and a staff that puts the needs of children first.

If you have any questions, please call the school at 260.446.0220
